EDIRPA WORK PROGRAMME

PROCURING TOGETHER DEFENCE CAPABILITIES

Instrument for the reinforcement of the European defence industry through common procurement (EDIRPA)

The European Union now has an instrument to **support the cooperation** of Member States for **common defence procurement**. The **EDIRPA Work Programme** sets out the funding priorities for **common procurement by Member States** addressing the most urgent and critical defence needs.

EDIRPA goals

- ▶ Incentivise defence procurement cooperation among EU Member States
- ▶ Aggregate EU demand on the procurement of capabilities
- ▶ Offset the complexity and risks associated with common procurement of defence products
- ▶ Provide strong and long-term signals to the EU defence industry
- ▶ Improve interoperability of EU armed forces
