

AGENDA

The Copernicus programme and its benefits for Mexico and Central America

- Date:** 25.11.2021
- Time:** From 9:00 am to 1:00 pm (UTC -6); from 4:00 to 8:00 pm (CET – UTC+1)
- Location:** Online
- Language:** Spanish and English
- Moderator:** *José Manuel Delgado Blasco, Earth Observation Expert Engineer, RHEA Group*

- 9:00 am (UTC -6)**
4:00 pm (UTC+1) **Opening remarks**
Jolanda Van Eijndthoven, Head of Unit, Unit B3 “International Relations and Communication”, DG DEFIS, European Commission
- 9:05 am (UTC -6)**
4:05 pm (UTC+1) **The EU Space programme and the EU Global Action on Space**
Luis Cuervo Spottorno Principal Administrator, Unit B3 “International Relations and Communication”, DG DEFIS, European Commission
- 9:20 am (UTC -6)**
4:20 pm (UTC+1) **The ins and outs of the Copernicus programme**
Elisabeth Hamdouch, Deputy Head of Unit, Unit C3 “Earth Observation”, DG DEFIS, European Commission
- 9:40 am (UTC -6)**
4:40 pm (UTC+1) **Q&A**
- 9:50 am (UTC -6)**
4:50 pm (UTC+1) **Copernicus Academy & Relays networks: representing Copernicus around the world**
Stéphane Ourevitch, Copernicus Support Office (SpaceTec Partners)
Jorge Cabrera, Advisor to the General Secretariat of SICA
- 10:00 am (UTC -6)**
5:00 pm (UTC+1) **The Copernicus Central America Initiative**
Joselyn Vargas Mayorga, Programme Assistant Cooperation, European Union Delegation to Costa Rica
Emilio Crespo, Consultant, SpaceTec Partners
- 10:05 am (UTC -6)**
5:05 pm (UTC+1) **Q&A**

10:10 am (UTC -6)

5:10 pm (UTC+1)

Environmental applications of Copernicus data

Isabel Garcia Hermosa, Project Scientist, Mercator Ocean International – Copernicus Marine Service

Joaquín Muñoz Sabater, Senior Scientist, ECMWF – Copernicus Climate Change Service

10:40 am (UTC -6)

5:40 pm (UTC+1)

Q&A

10:50 am (UTC -6)

5:50 pm (UTC+1)

Coffee Break

11:20 am (UTC -6)

6:20 pm (UTC+1)

Copernicus data for emergency preparedness and management

Cristina Rosales Sanchez, Technical Expert, Copernicus Emergency Management Service, DG JRC, European Commission

Juan Escalante, Operational Focal Point for the Copernicus Emergency Management Service's Rapid Mapping, Emergency Response Coordination Centre (ERCC) - DG ECHO, European Commission

11:40 am (UTC -6)

6:40 pm (UTC+1)

Q&A

11:50 am (UTC -6)

6:50 pm (UTC+1)

The Knowledge Centre on Earth Observation (KCEO): supporting policy making with Copernicus data

Julia Celis, Communication Assistant, DG JRC, European Commission

Mark Dowell, Senior Scientific Officer, DG JRC, European Commission

Andrea Camia, Scientific Officer, DG JRC, European Commission

12:10 pm (UTC -6)

7:10 pm (UTC+1)

Q&A

12:20 pm (UTC -6)

7:20 pm (UTC+1)

Boosting innovation and fostering cooperation through Copernicus

Monica Miguel Lago, Senior Project Manager, EARSC

Silvia Corti & Tamara Naydenova, EU Global Action on Space – AZO

12:40 pm (UTC -6)

7:40 pm (UTC+1)

Q&A

12:50 pm (UTC -6)

7:50 pm (UTC+1)

Closing remarks

José Manuel Delgado Blasco, Earth Observation Expert Engineer, RHEA Group

Luis Cuervo Spottorno Principal Administrator, Unit B3 "International Relations and Communication", DG DEFIS, European Commission

1:00 pm (UTC -6)

8:00 pm (UTC+1)

End of the event
